Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Sunday 19 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy and damp in east tonight, clearer in west.

This Evening and Tonight:
Remaining shower may still be on the heavy side and will persist across the east into the evening, predominantly Lincolnshire. Plenty of cloud around through the rest of the night but some clear spells possible west of Nottingham. Minimum temperature 12 deg C (54 deg F).

Monday:
A generally dull morning on Monday, with some patchy rain. Drier by the afternoon, but mainly cloudy with limited brighter spells later in the day. Maximum temperature 20 deg C (68 deg F).

Outlook for Tuesday to Thursday:
Dry and bright Tuesday with plenty of sunny spells. Turning breezy overnight into Wednesday, with outbreaks of rain through the day. Windy with outbreaks of rain Thursday.
